RUTLAND RIDE AND STRIDE

GUIDANCE FOR RECORDERS

1. In order to assist visiting cyclists and walkers, please, if possible, stay open continuously BETWEEN 10.00 AM AND 6.00 PM.
2. In some cases where access is difficult, or, say a wedding is taking place, choose the most accessible place to record visitors. If there is more than one entrance to the church, please indicate where you are situated and ensure that all visitors have easy access to a recording desk. If there are times when no recorders can be there, please leave our WELCOME sheet where participants can sign their names
3. Sign CHURCHES VISITED FORMS for each participant visiting your church or chapel.
4. IT WOULD BE KIND IF SOFT DRINKS AND POSSIBLY CAKE OR BISCUITS COULD BE OFFERED FREE OF CHARGE TO THIRSTY CYCLISTS AND WALKERS.
5. Do consider seeking sponsorship as well for your efforts. Use the same form as other participants. Considerable sums of money have been raised by Recorders receiving sponsorship.
6. The Trust does not ask you to record names of all visiting cyclists/walkers, only to sign their Forms. Some churches, however, have found it interesting to keep their own tally of how many Riders actually visit.

**HAVE A WONDERFUL DAY
AND THANK YOU FOR YOUR HELP**
